“Demi Moore's Finest Performance!”
— American Urban Radio Networks

Sexy Demi Moore (Disclosure, Indecent Proposal) heats up this powerfully sensual story of illicit love! In a time when adultery is punishable by death, Hester Prynne (Moore) becomes involved in a risky and scandalous affair with her town's handsome minister (Gary Oldman – Murder In The First). But when their secret passion results in a child, Hester is confronted with the town's overwhelming scorn...and is condemned to forever wear the scarlet letter "A" as a public brand of shame! A highly provocative retelling of the classic tale of forbidden love, The Scarlet Letter combines a sizzling story with exciting stars and delivers must-see entertainment!
